LORDY, LORDY! LOOK WHO'S FORTY!

It is hard to believe August is almost here but it is! Soon the kids will be going back to school and the cold days will return but before that happens we have something to celebrate. The Carlin Open Door Senior Citizen's Center will be turning 40 YEARS OLD!

The Senior Center was founded on August 15, 1977 by the citizens of Carlin and it remains an integral part of the community. Its first home was in the basement of the Carlin Methodist Church, its second home in the former school

house, and today it sits on top of the hill and overlooks our great town. Every day the older residents of Carlin come to the Center to enjoy its food and/or activities and, in my opinion, it has a bright future before it.

August will also mark my first full year as the Director of the Carlin Senior Center and I am truly blessed to be able to share in the joy and blessings it provides. I hope that many of you will join us for our Anniversary Party on August 15, 2017 at 11:00 a.m.

In Memoriam
Lew Eklund

A special person, a special face. Someone we love and can't replace. Never selfish, always kind. These are the memories he left behind.

The Carlin Senior Center will always be grateful for Lew's unfailing support of all in Carlin.

This institution is an equal opportunity provider and employer.
