## *NEWMONT EMPLOYEES ROCK!*

We recently learned that we would be receiving a substantial increase in donations from the Newmont Legacy Fund.

The fund is primarily funded through Newmont employee donations who get to choose who they want their money to go to. Newmont then matches whatever the employee's donate. This year we will be receiving a total of \$28,923.00! That is a lot of green!

Most of the money is used for food so we can serve a delicious and nutritious meal each day but we also use some of the money for equipment upkeep, supplies, and building maintenance.

The Newmont Legacy Fund is an integral source of revenue for our facility and we are extremely grateful for the generosity of Newmont and their employees. So, thank a Newmont employee for us!

## *MAY ACTIVITIES*

May 10<sup>th</sup> – Mother's Day Party
