August 2020

A New Kind of Normal

As we continue to adjust to a limited number of diners in the dining room which will probably be a long-term arrangement, I hope that you all are getting used to “the new normal” as well.

Look for a short survey in late August so we can get an idea of how you are feeling about the dining options we have available to you. We want to encourage you to not be nervous about making a reservation to come eat at the Center. We are taking every precaution and we have plenty of room. A fresh, hot meal awaits you!

We will not be having our annual Murder Mystery Lunch this year but if you

would still like to get out and about for some socializing we are planning a couple of opportunities for you in August.

On August 21st, we will be hosting a FREE bracelet making class here at the Senior Center. Also, on August 28th, we will be having an End of Summer Bingo for just Seniors! We will have some special and unique prizes available and we hope you can join us!

Both activities will be limited to 12 people and you must register in advance. Look for a flyer to come your way soon with more details!

Friyay!

Starting August 21st, we will begin having lunch in the dining room again. Sadly, the Salad Bar is probably a thing of the past but check out the August Menu to see what is in store.

Same rules apply – must call the day of by 9 a.m. to reserve a seat and seats will be limited to 12 a day. We politely and earnestly ask that you continue to have a mask with you and that you wear it whenever you are not in your seat eating. This will help keep everyone safe, including the Senior Center Staff, so we can continue to provide services to you!

**See you soon
on Friday!**

Remember, wash your hands,
wear your mask, and stay
healthy! - Ella
